Japanese Garden Party

The garden, with a pond as its centerpiece, is designed for strolling

Happo-en’s garden, skillfully incorporating the basic principles of traditional garden landscaping, was carefully composed to reproduce a natural setting. It includes several features of historic importance, such as a display of bonsai trees over 500 years old, and the “Muan” and “Kakuhoan” teahouses, transported and rebuilt on site, all harmoniously blending to create an oasis of beauty that brings pleasure throughout the year.

Happo-en is grounded in all aspects of Japanese culture—traditional gardens, architecture, culinary techniques, art, music and many others
