Exploring Semboku City, Akita

Where is Semboku City, Akita

Akita is located in the Northern part of Japan (below Hokkaido) and Semboku City is located at the Eastern Center of Akita. To get to Semboku you only need to ride a Shinkansen (bullet train) from Tokyo to Tazawako Station and it will only take less than 3 hours to arrive! It's definitely a good place to visit during your Tokyo trip for a quick getaway!

A photograph of three women smiling and giving thumbs up in a traditional Japanese interior. The woman on the left wears a floral patterned kimono. The woman in the middle wears a grey headscarf and a striped kimono, with a white paper lantern balanced on her head. The woman on the right wears a white kimono with large black polka dots and red striped sleeves. The background features a sliding door (shoji) and a hanging lantern.
